

**SECRET**

DIARY NOTES

DD/S

26 January 1960

25X1A

1. I talked to Doctor Tietjen about a cable in from [REDACTED] complaining about the withdrawal of the doctor from [REDACTED] and learned that this matter had been discussed with General Cabell on his recent trip and that while in [REDACTED] he had approved of this action.

3. Jim Garrison and [REDACTED] were up to present me with a proposed program for Real Estate which, as I understand it, would give Logistics much greater control over DD/P real estate acquisitions, leases, etc. I didn't think that it was at all practical.

25X1A9a

4. Gates and I met with the Commercial Staff for the last time prior to their transfer to DD/P on 1 February 1960. Afterwards we lunched with [REDACTED]

6. [REDACTED] reported that we were out of communication with [REDACTED] and that everything that could be done was being done to rectify the situation.

25X1A6a

7. Stan Grogan called to compliment the Printing Services people for the outstanding job that they were doing in getting the Director's speech out to meet a tight deadline.

8. [REDACTED] called to say that he was having two more trowels which were used by Mr. Dulles at the Cornerstone Ceremony engraved and suggested that Jim Garrison and I be the recipients. I told him to have them done and that I would give one to General Cabell and the other to Jim.
